

Yorkshire Badminton Quarterly Newsletter

June 2022 Edition

Welcome to the seventh edition of the Yorkshire Badminton newsletter!

The interactive newsletter will be produced quarterly throughout the year and will provide the county association, community badminton networks, clubs, coaches, volunteers and players with current news, opportunities, information and support across Yorkshire.

About Me

I'm sure the majority of you have been in contact with me by now but, for anyone who doesn't know, my name is Holly Robson and I have been a keen badminton player, coach and volunteer for a number of years now, representing the Durham County senior teams and Elmfield Badminton Club in Newcastle as well as playing an active role on the Durham County Badminton committee. In May 2018, I joined the Badminton England team as the North East Relationship Manager (covering Durham & Northumberland) then, as a result of the Badminton England staff restructure in November 2020, I am now also the local point of contact for Yorkshire.

I will be working closely with the badminton community across these three counties to further develop badminton and provide more opportunities for people to get involved and grow the sport across the region.

Club Spotlight

Pontefract Badminton Club

Pontefract Squash & Leisure Club opened 2016 with a small number of juniors playing, coached by Gill Topliss. In 2017, a SmashUp! session and a senior club started playing at the centre then in 2018 the juniors began playing in the Riding Primary League followed by the Castleford Primary and Junior League. In 2018, Paul Sibson joined the coaching team then, in 2021, Nathan Hale became the third member of the coaching team.

In 2021, because of the large attendances at the coaching sessions, the club was restructured and tiered into different levels with 40 players attending over three ability levels. There are now two senior clubs playing on three nights, age group county training every Wednesday and a performance session on one Sunday each month.

Two of the club's junior players have now developed and are England squad players and ten are now playing for Yorkshire in different age group teams, the bulk of them at Under 12 through to Under 16. The 2022/23 season will see the start of a club for deaf and hard of hearing players as well as a high performance group and the club coaches, Gill, Paul and Nathan, have also been invited by the Commonwealth Games Committee to represent badminton at an organised sports day for under privileged children in Wakefield in July.

Local Person

John Ellis

John Ellis became involved in badminton in Yorkshire as his son, Andrew, was an England player, having come through the Yorkshire ranks as a junior player.

During his time as a volunteer for the county, he managed the Under 11 and Under 13 junior teams, was Chairman of the Schools and Youth Committee (where he was part of the Yorkshire Badminton Association Executive Committee and Council), organised and ran many junior tournaments and also took on the role of Match Secretary for the Shires League.

John sadly passed away April 2022 and will be greatly missed by the badminton community. The passion and dedication he brought to the sport will always be remembered.

Helen Calverley:

“John was a great mentor, influence and friend to me since I took on the role of U18 Yorkshire Manager. He was always on the end of the phone for a chat or for me to ask advice. He gave me so much confidence to believe in what I do and my values and ethos. I miss him greatly, both as a mentor and a friend.”

Sport England Queen’s Platinum Jubilee Funding

Sport England have launched a new £5 million fund to mark the Queen’s Platinum Jubilee that aims to use sport and physical activity to bring communities together and tackle inequalities.

Using money from the National Lottery, the fund will make awards of between £300 and £10,000 to community organisations in support of new projects providing opportunities to become more physically active. The funds could be used for things such as facility hire and coaching costs, or even small capital improvements.

The fund is open for applications now and will make awards to not-for-profit organisations helping inactive people to get active, or less active people to become more active. They particularly want to hear from projects working with people living in areas of disadvantage, as defined by the Indices of Multiple Deprivation areas 1-3.

87th Hull Senior Silver Tournament Write Up

The 87th Hull Senior Silver was held on the 9th & 10th April at Hull & East Riding Sports Club. Due to the COVID pandemic, the tournament was last held in 2019 and its return was well supported with both singles holders returning to defend their titles!

In the ladies' singles, Aimie Whiteman [Wales] succeeded in wresting the title from the previous winner, Cici Lu [Yorkshire], in a tough three-ender, 21-16, 23-25, 21-10.

Ben Dolman [Cheshire], the previous holder of the men's singles title, went out in the quarter finals, losing to the new title holder, Neil Bhabuta of Lancashire. Alex Marritt [Yorkshire], another previous holder, also lost [19-21, 16-21] in the semi-final against the runner-up, Ben John Muir [Hampshire].

In the other semi-final, Neil went one set down, losing the first end 20-22 to Garrylee McMullen [Northumberland] and had to work hard to win the second and third ends, 21-10, 21-9.

In the final, despite many long testing rallies, Neil Bhabuta was just too strong and came out on top against Ben John Muir, 21-15, 21-15.

Although Victoria Liang [Warwickshire] and Aimie Whiteman [Wales] had a convincing win in their ladies' doubles semi-final against Victoria Brewis [Yorkshire] and Ellie Wheatley [Nottinghamshire], 21-10, 21-7, they could not repeat it in the final. The women's doubles title went to Annie and Natasha Lado [Hampshire] who won the first end 21-12 and just edged the second end 22-20.

After winning a tight three-ender against Harry Goode [Hertfordshire] and Ewen Stephen [Warwickshire] 19-21, 21-17, 21-18 in the men's doubles semi-final, Paak Shing (Raymond) Chong [Durham] and Lap Yan (Larry) Pong [Avon] went on to beat Jamie Pearcy [Gloucestershire] and Mark Pratt [Yorkshire] 21-19, 21-14 in the final.

The mixed doubles proved a hotly contested affair with both the final and one of the semi-finals going to three ends with the Lado girls featuring prominently. In the first semi-final, Steven Elliot [Hertfordshire] and Annie Lado [Hampshire] beat Josh Young [Yorkshire] and Annabel Hong [Leicestershire] 21-16, 21-19.

The other semi-final saw Nathan Rossiter [Yorkshire] and Terri-Lee Holmes [Lancashire] win a long three-ender against Harry Goode [Hertfordshire] and Natasha Lado [Hampshire] 17-21, 21-19, 21-13.

In an exciting final, having lost the first end to Nathan and Terri-Lee 18-21, Steven Elliot and Annie Lado pulled out all the stops, going from 15-20 down in the second end, to take the set 23-21 and then went on to win the third 21-13.

Dave Wobey would like to thank all the players for their support in entering the tournament, as well as the umpires and all the helpers who worked over the two days to make the tournament a great success!

Hummersknott Badminton Club & Ukraine Support

As part of the support offered to the Ukrainian community, Hummersknott Badminton Club in Darlington have created the opportunity for a few Ukrainian youth players to join the club's annual tour to Cyprus and Greece in July 2022.

After the invasion of Ukraine, Hummersknott Badminton Club made early contact with the Ukrainian Badminton Federation and Badminton England, who are offering support to badminton-playing Ukrainian refugees. As a gesture of international friendship, the club have invited four of the young refugees to join their annual summer badminton tour to Cyprus and Greece.

Hummersknott Badminton Club have a long history of international links (they have toured 42 countries to play badminton) which gives them a good foundation for this work and have already raised £8,000 to cover the costs of travel and accommodation. They are hoping to raise another £1,500 before the summer tour which will enable the mother of one of the Ukrainian players to accompany them.
